

## Secretary, Community Service and Publicity Report

Date: 09/15/20

### Secretary/Hospitality

No communications received.

### Update on Food Pantry

The Pantry continues to provide food boxes and to receive produce that is being picked by volunteers including by students overseen by Jennifer Lewis who provides them transportation to the Kelly Settlement where produce is picked.

### Produce Harvesting

Anyone interested in harvesting produce every 2 days, please contact Jennifer Lewis for more information. The location is on Highway 59 off Exit 73 Monroe Rd.

### Other Community Service in Works for Spring:

#### Canned Food Drive for The Food Pantry

We are looking at holding a canned food drive in October as there is already a canned food drive going on this month. Due to the increased number of visitors to the pantry, supplies are running short. The Community Service webpage has been updated to reflect the webpage for donations to the Eagle's Nest Food Pantry.

### Virtual Volunteer Activities

Are listed on - <https://www.volunteermatch.org/covid19>

## PUBLICITY

### Website

Announcements were updated to add in September event that had to be cancelled due to presenter. Have removed event and waiting to see about rescheduling later this month.

Website has been updated to reflect event scheduled for tomorrow as has Facebook.

Added Gulf Coast workshop to page.
