Re: Fiscal Year 2025 Year-End Procedures

Please share this memorandum with members of your staff who need to be aware of these processing and transaction deadlines to ensure the specific dates are known and potential problems are avoided.

To help the University achieve a timely closing, this memorandum contains important information regarding processing requirements and deadlines that apply to the University's fiscal year 2025 accounting closing. All due dates are as of close of business on the day indicated.

Requisitions and Purchase Orders

Requisitions for purchase order items that require bids must be submitted to the Purchasing work list by Friday, May 2, 2025. Requisitions for purchase order items that do not require the bid process must be submitted to the Purchasing work list by Friday, June 20, 2025. Requisition entry will be turned off at the end of business Friday, June 20, 2025, and will remain off until 8:00 a.m. July 1, 2025. To ensure that a requisition is charged against the current year budget, requisitions must be received in the Purchasing work list by the above dates, goods and services must be received by June 30, 2025, and paperwork for payment to the vendor must be received in Accounts Payable by July 3, 2025. No purchase orders will be processed in the current fiscal year for goods or services to be provided after July 1, 2025.

Outstanding Purchase Orders

Purchase Orders that are outstanding at year-end will be rolled over to the next fiscal year using the same budget string. **These purchase orders will be charged against next year's budget.**
