

23rd Annual DuBard Symposium: **DYSLEXIA** *and related disorders*

SPONSOR & EXHIBITOR INFORMATION

For twenty two years, the DuBard Symposium has attracted parents, administrators, educators, dyslexia therapists, speech-language pathologists and allied health professionals from Mississippi, Louisiana, Alabama, Arkansas and the Florida panhandle. They are seeking information, services and products to assist in their service to children with dyslexia and related disorders.

Join the DuBard School for Language Disorders for a great opportunity to advertise your business and/or products to hundreds of parents, educators, and allied health professionals at the 23rd Annual DuBard Symposium: Dyslexia and Related Disorders on September 12-13, 2019 at Parkway Heights United Methodist Church in Hattiesburg.

Individual and business sponsorships are needed to help us continue to provide this annual event at low cost to interested individuals.
