

**GCRL Marine Education Center
Scholarship Requirements
Summer Camp 2021**

About the Scholarship:

The Marine Education Center (MEC) is seeking qualified individuals who sincerely wish to learn about marine sciences and the environment. **The Marine Education Center does not provide transportation to and from camp, nor meals for day camps.**

Applicants Must:

- Meet the eligibility requirement of underserved and underrepresented ethnicity and/or financial need. Please refer to the attached scholarship application.
- Be willing to participate in outdoor activities such as activities aboard a research vessel, beach walking, kayaking, fishing, and trail hiking.
- Sincerely be interested in a fun, outdoor, marine science learning experience.

Candidate Selection:

Candidates will be selected based on the criteria listed on the scholarship form. There will be a limit on how many times a scholarship may be awarded to an eligible camper. One camper can only receive one scholarship per summer for a one-week camp experience; first time campers are given priority over all returning campers.

Scholarship:

Complete the Scholarship Assistance Application and have the camper complete the Scholarship Application.

Please write legibly and make sure all writing is dark enough to be read. If you send a scanned copy, please review it to make sure all words are visible and legible.
