Student's Details Page will give you access to view, at a glance, if there were any problems.

- Green flags are raised when there is no incident.
- Yellow flags are issued when a rule is broken but cheating does not take place.
- Red flags are given when the student exhibits clear cheating behavior.
- If a technical issue arises, we will communicate that to you with a blue alert.
- If you see a blue or red flag, click

to read the proctor's notes

Scroll to the bottom half of the page. Here you can view the video of the proctored student.

The proctor's notes are below the video.

Notice, when you see

proctor will explain the possible infraction and the time it occurred. This will allow you to fast forward to that moment in the video.

Before a red flag notice is sent, an Examity administrator will also review the video.
