# CAMPUS RESOURCES

**CLICK BELOW TO SCHEDULE AN APPOINTMENT!**

## Mathematics Center

In-person or online, individual or group. 75 minute appointments. Book up to two appointments a week. MA 100 – MA 340. Bring specific problems/concepts, or upload applicable documents

## Speaking Center

Peer consultants help advance public speaking skills for speeches, presentations, job interviews, and other speaking engagements. 45-minute sessions in person or online by appointment only.

## History Lab

HIS 101 and HIS 102 students may make an appointment for an online or in-person meeting. The lab offers assistance with note-taking, study skills, exam preparation, and historical writing skills.

## Writing Center

One-on-one writing consultations for any stage of writing, from understanding the assignment and brainstorming ideas to revising and editing. Walk-in or by appointment, in-person or via Zoom.

## Biological Sciences Learning Center

The Department of Biological Sciences offers one-hour tutoring appointments for BSC 100 and 200+ levels, Anatomy & Physiology, and lab reports.

## Academic Help & Tutoring

The Office of Student Accessibility Services maintains a list of all the offices on campus that offer free tutoring services for currently enrolled students.

## My Majors

Thinking about changing your major? Complete an online assessment to see which majors might be a good fit for you. Sign in with your SOAR credentials to get started!

## Help

Are you struggling to adjust to college life? We have the resources you need to become happy, healthy, successful students. Visit us at [usm.edu/help](http://usm.edu/help) to learn more. We're here for you.
