SECTION 00901-01
ADDENDUM NO. 1

Dated: August 23, 2022

Project: Bulkhead Improvements at Halstead Campus Gulf Coast Research Laboratory (RE-BID)	Owner: University of Southern Mississippi Gulf Coast	Engineer's Project No.: 221-051 (RE-BID)
--	---	---

The following changes, additions, and/or deletions are hereby made a part of the Project Manual for the Bulkhead Improvements at Halstead Campus Gulf Coast Research Laboratory (RE-BID) for the University of Southern Mississippi Gulf Coast dated August 8, 2022 as fully and completely as if the same were fully and completely set forth therein:

PROJECT MANUAL

Part 1- Bidding Requirements

1. A Pre-Bid Conference has been scheduled for **Friday, August 26, 2022 at 11:00 A.M. and will be held at the Gulf Coast Research Laboratory located at 703 East Beach Drive, Ocean Springs, MS 39564. The meeting will be held at the project site.** Representatives of Owner and Engineer will be present to discuss the Project. Bidders are encouraged to attend and participate in the conference. Engineer will transmit to all prospective Bidders of record such Addenda as Engineer considers necessary in response to questions arising at the conference. Oral statements may not be relied upon and will not be binding or legally effective.

Part 4- Technical Specifications

1. **SECTION 01292 SCHEDULE OF QUANTITIES: ADD this Section in its entirety as Attachment No. 1 to Addendum No. 1.** This specification shall be used as the basis of for the lump sum bid amount in accordance with Section 00 4200 Proposal Form and shall also be used as the schedule of values for payment applications during construction. Contractor shall complete this form including unit prices and turn in with Bid documents.

All bidders shall acknowledge receipt and acceptance of this Addendum No. 1 consisting of one (1) page plus attachments by signing the acknowledgement form preceding this addendum and acknowledging receipt on page 1 of the Section 00410-Bid. Bids submitted without acknowledging receipt of the addendum may be considered non-responsive.

Sincerely,

UNIVERSITY OF SOUTHERN MISSISSIPPI
GULF COAST

By: 
W. Andrew Douglass, P.E., Project Engineer

SECTION 01292
SCHEDULE OF QUANTITIES

1.0 GENERAL

1.1 This specification shall be used as the basis of for the lump sum bid amount in accordance with Section 00 4200 Proposal Form and shall also be used as the schedule of values for payment applications during construction.

1.1.1 Contractor shall complete this form including unit prices and turn in with Bid documents.

1.2 RELATED SECTIONS

Division 01 General Requirements

1.3 MEASUREMENT AND PAYMENT

1.3.1 Payment shall be included as part of the appropriate lump sum or unit price item in the Proposal. Any Work associated with this Section shall be considered incidental, unless a specific line item has been provided in the Bid Form.

1.3.2 Unit Prices have been computed in accordance with Paragraph 11.03.B of the General Conditions, as may be modified by the Supplementary Conditions.

1.3.3 Bidder acknowledges that estimated quantities are not guaranteed, and are solely for the purpose of comparison of Bids, and final payment for all Unit Price Bid items will be based on actual quantities, determined as provided in the Contract Documents.

1.3.4 The Owner reserves the right to award a Contract for the BASE BID and any Alternate(s) to the lowest, responsible, responsive, qualified bidder. The Owner will adjust the final contract amount by utilizing any combination of Alternates to adjust the scope of work for the available funds for the project.

1.3.5 Bidder(s) being considered for award may be required to provide a further detailed breakdown of the work within 72 hours following receipt of the request from the Owner. Refer to Section SUBMITTALS DURING CONSTRUCTION of Division 1, GENERAL REQUIREMENTS. The price breakdown shall be fairly apportioned to the items listed. If so requested, the Bidder shall substantiate any price or prices with additional detailed price breakdown.
