

THE UNIVERSITY OF SOUTHERN MISSISSIPPI

December 16, 2019

ADDENDUM 1 TO BID 20-18

This addendum provides answers to questions submitted by prospective bidders. The University's answers are shown in **RED**.

Steve Ballew
Director of Procurement and Contract Services

1. Is there any way you can modify the specification to include all mounting brackets and hardware necessary to install and integrate into your existing EchoBoat?

Multibeam system should have all necessary mounting brackets and hardware necessary to fit within the existing moonpool on the Echoboat.
