Notice of Proposed Sole Source Purchase
SSP 22_016

The University of Southern Mississippi anticipates purchasing the item(s) listed below as a sole source purchase. Anyone objecting to this purchase shall follow the procedures outlined below.

1. Description of the commodity that USM is seeking to procure:

Thruster assembly with no propeller for the ISE Autonomous Underwater Vehicle (AUV)

2. Explanation of why the commodity is the only one that meets the needs of the agency:

This is a replacement part for our current AUV vehicle. The thruster is necessary to propel the vehicle in the water. It is a proprietary part.

3. Explanation of why the source is the only source is the only person or entity that can provide the required commodity:

As mentioned, this is a proprietary part that can only be provided by the original manufacturer of the vehicle.

4. Explanation of why the amount to be expended for the commodity is reasonable:

International Submarine Engineering Ltd., is the only manufacturer of the part and quoted amount is the replacement part value.

5. Efforts that the agency went through to obtain the best possible price for the commodity:

We worked with ISE to provide the best price available.
