Political Science BA
Political Science BS
Sociology BS
World Languages (French) BA
World Languages (Licensure) BA
World Languages (Spanish) BA
World Languages (Two Languages) BA

Undergraduates in the College of Arts and Sciences
Friday, May 7, 2021
Bernard Reed Green Coliseum

3:00 p.m.

School of Biological, Environmental, and Earth Sciences

Biological Sciences BS
Biological Sciences (Biomedical Sciences) BS
Biological Sciences (Ecology and Organismal Biology) BS
Biological Sciences (Licensure) BS

Biological Sciences (Microbiology) BS
Geography (Geographic Information Technology) BS
Geography (Sustainable Development) BS
Geography BS
Geology BS
Marine Biology BS
Medical Laboratory Science (MLT to MLS) BS
Medical Laboratory Science BS

School of Computing Sciences and Computer Engineering

Computer Engineering BS
Computer Science (Applied Computer Science) BS
Computer Science BS
Electronics and Computer Engineering Technology (Computer) BS
Electronics and Computer Engineering Technology (Electronics) BS
Information Technology (Developer) BS
Information Technology (Networking) BS

School of Construction and Design

Architectural Engineering Technology BS
Construction Management BS
Interior Design BS

School of Criminal Justice, Forensic Science and Security

Criminal Justice (Juvenile Justice) BA
Criminal Justice BA
Forensics (Anthropology) BS
Forensics (Biological Sciences) BS
Forensics (Chemistry and Biochemistry) BS
Forensics (Criminal Justice) BS

School of Mathematics and Natural Sciences

Chemistry (ACS-Certified Chemistry) BS
Chemistry (Biochemistry) BS
Chemistry (Licensure) BS
Mathematics (Licensure) BS
Mathematics BS
Physics (Licensure) BS
Physics BS

School of Ocean Science and Engineering

Marine Science (Hydrography) BS

Marine Science BS

Ocean Engineering BS

School of Polymer Science and Engineering

Polymer Science and Engineering BS

Polymer Science BS
